

NovaDesk - Customer FAQ

Version 5.1 | Updated 1 April 2026 | Fictional product created for RAG chatbot practice

1. What is NovaDesk?

NovaDesk is a customer support (helpdesk) software product made by TechNova Solutions Pvt Ltd. It helps teams manage customer emails, chats and tickets in one place.

2. Plans and Pricing

Plan	Price	Agents	Storage	Phone support	Uptime guarantee
Starter	Rs. 899 per agent per month	Up to 3 agents	5 GB	No	99.5%
Growth	Rs. 1,899 per agent per month	Unlimited agents	50 GB	Yes	99.9%
Enterprise	Custom pricing	Unlimited agents	Custom	Yes, plus Sunday emergency line	99.95%

- Annual billing: pay for 10 months and get 12 months of service.
- You can change your plan at any time. Upgrades take effect immediately. Downgrades take effect at the start of the next billing cycle.

3. Free Trial

Every new account gets a 21-day free trial of the Growth plan. No credit card is required to start the trial.

4. Billing and Refunds

- Accepted payment methods: UPI, credit and debit cards, and net banking.
- A GST invoice is emailed after every payment.
- Refunds: you get a full refund if you request it within 9 days of your first payment. After 9 days there are no refunds, but you can cancel at any time and keep access until the end of the billing period.

5. Customer Support

- Support hours: 9:00 AM to 8:00 PM IST, Monday to Saturday, through chat and email.
- Support email: support@novadesk.example.
- Phone support is available on the Growth and Enterprise plans only.
- The Sunday emergency line is available on the Enterprise plan only.
- First response time: within 12 hours on Starter and within 4 hours on Growth.

6. Account and Data

- To reset your password, click Forgot password on the login page. The reset link is valid for 30 minutes.
- NovaDesk data is hosted in the Mumbai region.
- You can export your data as CSV at any time.
- After you cancel, your data is kept for 60 days and then permanently deleted.

7. Integrations and Limits

- Gmail and Slack integrations are available on all plans.
- WhatsApp and Shopify integrations are available on the Growth and Enterprise plans.
- The maximum size for a single file attachment is 25 MB.
