

TechNova Solutions Pvt Ltd - IT and Security Policy

Version 2.4 | Effective 1 March 2026 | Fictional company created for RAG chatbot practice

1. Purpose and Scope

This policy protects company data and systems. It applies to all employees, contractors and interns of TechNova Solutions Pvt Ltd.

2. Passwords and Accounts

- Passwords must be at least 14 characters long and include upper case, lower case, a number and a symbol.
- Passwords must be changed every 75 days, and the last 6 passwords cannot be reused.
- Multi-factor authentication is mandatory for email, VPN, the code repository and the HR portal.
- Never share your password or one-time passcode (OTP) with anyone, including IT staff.

3. Laptops and Devices

- All company laptops use full-disk encryption.
- Screens lock automatically after 4 minutes of inactivity.
- Personal USB storage devices are blocked. Only encrypted USB drives issued by IT may be used.
- New joiners receive their laptop on day 1. Their accounts are created 2 working days before the joining date.

4. Lost or Stolen Devices

- Report a lost or stolen device to the IT helpdesk within 2 hours of discovering the loss, and then inform your manager.
- IT will remotely lock and wipe the device.

5. VPN and Remote Access

- The company VPN client is called NovaSecure.
- The VPN is required when accessing internal tools from outside the office and whenever you use public Wi-Fi, such as in cafes or airports.
- Connect to the VPN before opening any internal tool.

6. Software and Data

- Install software only through the Software Portal. Approval requests take up to 3 business days.
- Store work files only on the TechNova company drive. Personal email and personal cloud storage must not be used for work files.
- Data is classified as Public, Internal, Confidential or Restricted. Restricted data, such as customer personal data and financial records, must never be emailed outside the company.

- Backups run every night at 2:00 AM and are kept for 35 days.

7. Phishing

- Report suspicious emails with the Report Phish button in the email client, or forward them to phish@technova.example.
- Do not click links or open attachments from unknown senders.

8. Security Training

Every employee must complete security awareness training within 30 days of joining, and then once every year.

9. IT Helpdesk and Incident Response

- IT helpdesk email: it-help@technova.example. Phone: extension 202.
- IT helpdesk hours: 8:00 AM to 9:00 PM, Monday to Saturday.
- IT Security Officer: Rohan Desai.

Priority	Meaning	Response target
P1	Critical outage or security breach	30 minutes
P2	Major impact, but a workaround exists	4 hours
P3	Minor issue	2 business days
